

Volunteers! We Need You!

Every Volunteer should be aligned + get trained up on these points: <https://linktr.ee/RedCardsMoreLanguages>

What are the highest-priority tasks needed right now for Immigrant Rights?

What newbie mistakes can we learn to avoid? What tasks can "even a newbie" do well?

What is the best use of money to help make the biggest difference?

What do I do if I see ICE harassing someone? What if I'm not sure? Who should I call?

Who do I call if a friend needs legal help? In detention? Facing deportation?

What can I do if someone is abducted by ICE? How can I help connect people with Legal help?

How? **Join orgs on the front lines, led by Immigrant Leaders who have done this work for years!**
